

Dear Church Family,

As many of you know, I had the opportunity to participate in a medical mission trip to Ethiopia this past July, and will speaking about this trip on an upcoming Sunday in March. I recently have been given an opportunity to participate in another medical mission trip this coming April to Iraq. This trip will have a few more safety concerns, so prayers would be greatly appreciated! I had been asked by a few people about the cost of the trip to Africa and if there were fundraising activities. While they do not hold group fundraising activities, each person has a fundraising page that can be forwarded out to individuals. I paid for the trip to Ethiopia myself, and have no problems doing this for Iraq as well, as this is something I am quite passionate about. However, I was encouraged to try fundraising for this trip, so below you will find the link that you can click to learn a little about the trip and donate if so desired. There is absolutely no obligation to donate!! I would however, be very thankful for prayers as we prepare for this upcoming trip.

God Bless,
Nicole Snelbaker

Our next blood drive is on March 5th! It's time to register to give.

**Plan on helping clean up things at the church
on March 16th from 9:00-12:00.**
